The obverse of the coins features a design depicting UAEU’s historic campus, reflecting its prestigious academic legacy as the nation’s first university, surrounded by distinctive artistic motifs, along with the phrase “Golden Jubilee” and the name “United Arab Emirates University” in both Arabic and English. The reverse side features a symbolic design representing the university’s modern campus, encircled by the phrase “Central Bank of the United Arab Emirates” in both Arabic and English.

The commemorative coins have been issued in gold and silver, each weighing 50 grams. A total of 100 gold coins and 3,000 silver coins have been produced. The coins have been handed over to the United Arab Emirates University and will not be available for sale through the Central Bank or the University.
