CBUAE Participates in the G20 Central Bank Governors and Finance Ministers Meeting in Bangkok

Bangkok, Thailand (15 October 2026): The Central Bank of the United Arab Emirates (CBUAE) participated in the G20 Central Bank Governors and Finance Ministers Meeting, held today in Bangkok, Thailand.

The CBUAE delegation participating in the meetings included H.E. Ebrahim Obaid Al Zaabi, Assistant Governor for Monetary Policy and Financial Stability, and Mr Mohamed Hussain Al Marzooqi, Head of the International and Domestic Affairs.

This participation reflects the UAE's pivotal role in international financial forums and the CBUAE's commitment to strengthening dialogue and coordination with central banks and international financial institutions, in support of global financial stability and sustainable economic development.

The meeting discussed global economic developments, ways to strengthen financial sector resilience and support sustainable and inclusive economic growth, as well as approaches to addressing uncertainty in the global economy and challenges related to inflation and financial market volatility. It also reviewed initiatives relating to innovation and digital transformation in the financial sector.

H.E. Ebrahim Obaid Al Zaabi affirmed that the UAE's participation in the G20 meetings reflects its commitment to contributing actively to shaping global economic and financial dialogue and strengthening international cooperation. H.E. added: "The CBUAE supports international efforts to strengthen the resilience of the global financial sector and facilitate the transfer of internationally recognised best practices, further reinforcing the UAE's position as a leading global financial centre."
